

TOYOTA CENTER Events

Hello, my name is Jessie Cohen and I am your Guest Relations Representative for Levy Restaurants at Toyota Center. Attached are two documents: Order Form and Package Information.

When placing an order you will need to put the number of people that you are ordering for in the box next to the items you are wanting; also please fill in the billing information that is requested in the lower right hand corner of that form. All items will be charged to your credit card before the event.

If you choose to have alcohol in your suite it is required that you have a Personal Attendant and the charge for that will be \$125.

Your order will be due 48 hours before the event and by 2pm. You may either email or fax the form to me.

Thank you so much for your time and if you have any questions please feel free to give me call.
